District II Commissioner Skip Elkin
Planning and Zoning Director Stan Shawver
County Counselor John Patton
Deputy County Clerk Shawna Victor

The meeting was called to order at 7:02 p.m.

Subject: Proclamation for Tom Hayter

Commissioner Schnarre moved to adopt the following proclamation:

Whereas; Tom Hayter has been an integral member of the Boone County Local Emergency Planning Committee since 1996 and,

Whereas; Tom Hayter has served a significant leadership role in the Boone County Local Emergency Planning Committee as Vice-Chair and,

Whereas; Tom Hayter as Vice-Chair of the Boone County Local Emergency Planning Committee has been the Training & Exercise Committee Chair since 1997 and,

Whereas; Tom Hayter as Committee Chair directed the planning and execution of four hazardous chemical emergency drills, and in three communities throughout Boone County and,

Whereas; Tom Hayter served as Chair of the Boone County Local Emergency Planning Committee from September 2001 until October 2002 in the absence of the Boone County Local Emergency Planning Committee Chair Assistant Chief Ken Hines who was on military active duty and,

Whereas; Tom Hayter during this time continued to move the Boone County Local Emergency Planning Committee forward by providing training and education to public safety and private sector members of the Committee and,

Whereas; Tom Hayter as a senior manager at 3M Company in Columbia, Missouri has fulfilled an important role of ensuring the communication and interaction of public safety and private sector groups,

Therefore, Let it be resolved, that the Boone County Commission does hereby

recognize and applaud Mr. Thomas Hayter, for his selfless assistance to the safety and well-being of all Boone Countians and does here Proclaim its sincere appreciation for his contributions to the Boone County Local Emergency Planning Committee.

Commissioner Elkin seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 264-2003**

Commissioner Schnarre presented the proclamation to Ken Hines, Boone County Fire Protection District Assistant Chief.

Subject: Planning and Zoning

Commissioner Schnarre noted that during Planning and Zoning sessions, the Commission will receive a report from staff and then the Commission will have the opportunity to ask staff any questions. The Commission will then move to a presentation from the applicant or agent of the applicant on behalf of their request. After that, the Commission will convene a public hearing where any testimony in favor of or in opposition to will be welcome. Following the public hearing, the Commission will discuss the issue and then vote on the issue.

Stan Shawver, Director of the Planning and Building Inspection Department, stated that the Boone County Zoning Regulations and the Subdivision Regulations are entered into the record. (note - the file copy is retained in the Planning and Building Inspection Department).

A. Approve Request by Michael and Neta Teel to rezone from A-2 (Agriculture) to M-LP (Planned Industrial) of 1.51 acres, more or less, located at 14430 N. Barnes School Road, Hallsville

B. Approve Request by Roger and Della West to rezone from M-LP (Planned Industrial) to A-2 (Agriculture) of 1.51 acres, more or less, located at 14450 N. Barnes School Road, Hallsville

Mr. Shawver stated the two rezoning requests are related, and so one staff report has been prepared that covers both sites. The subject tracts are located on Barnes School Road, approximately 2 miles west of Hallsville, and north of Highway 124. The Teel request consists of 1.51 acres of A-2 zoned land that is seeking M-LP zoning. The West property is located just north of the Teel tract. The south 150' of the West property is zoned A-2, but the north 220' is zoned M-LP. The land to the east is zoned M-LP, the rest of the land is zoned A-2. The subject tracts are located in Public Water District 4 and the Hallsville R-4 school district. Electric service is provided by Boone Electric Cooperative. The

master plan designates this area as being suitable for agricultural and rural residential land uses.

The previous owner of this land operated a nonconforming sawmill and pallet factory on the site. As a result of a fire in 1991, 9 acres were rezoned to M-LP so that the pallet factory could be re-built. The 1.51 acres owned by the Teels were excluded from that request. However, the north 1.51 acres of what is now the property owned by the Wests was included. In 2001 the subject tracts were purchased by the Teels and platted as part of Quarter Mile Hills subdivision. The tract owned by the Teels is part of lot 10, which includes the area previously occupied by the pallet factory. Lot 11 is owned by the Wests, and included the original house. The applications being considered tonight will result in the zoning designations being swapped between land owned by the Teels and land owned by the Wests. Staff notified 10 property owners about these requests.

If approved, the Teel request will allow the applicant full use of the M-LP land, allowing access to be from Barnes School Road. Prior to any use taking place on the land, both a review plan and a final development plan will be required.

Staff recommends approval of the Teel request. The rezoning granted in 1991 included a condition that the property could only be used for the manufacture and assembly of wood products, and that there could be no chemical treatment of wood products. That condition may not be necessary as the applicant will have to submit a review plan that will be subject to conditions prior to any development taking place on the property.

Staff recommends approval of the Teel request.

Staff recommends approval of the West request. This will result in a residentially developed lot having the same zoning on the entire lot.

Staff recommends approval of the West request.

The Planning and Zoning Commission held a public hearing on these requests on May 15, 2003. The Planning and Zoning Commission made a recommendation to approve both requests.

Tom Schneider, 11 N. 7th Street, Columbia, was present on behalf of the Teels and the Wests.

Tom Schneider stated this is a swap of zoning locations. It would not increase the amount of either type of zoning. The Teels currently have land zoned A-2 which should be M-LP. The Wests currently have land zoned M-LP which should be A-2.

Commissioner Schnarre opened the floor for a public hearing on these requests.

There was no one wishing to speak on these requests.

Commissioner Schnarre closed the public hearing.

Commissioner Elkin moved to approve the request by Michael and Neta Teel to rezone from A-2 (Agriculture) to M-LP (Planned Industrial) of 1.51 acres, more or less, located at 14430 N. Barnes School Road, Hallsville.

Commissioner Schnarre seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 265-2003**

Commissioner Elkin moved to approve the request by Roger and Della West to rezone from M-LP (Planned Industrial) to A-2 (Agriculture) of 1.51 acres, more or less, located at 14450 N. Barnes School Road, Hallsville.

Commissioner Schnarre seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 266-2003**

C. Approve Petition submitted by Nancy Lee Boon Trust Number 1 to vacate and re-plat Sunnyside Acres Subdivision

Mr. Shawver stated the department received a petition to vacate and re-plat Sunnyside Acres Subdivision. This is a two lot subdivision located on Route N south of Pierpont. The applicant wishes to vacate the two lots and re-plat into one lot. There is currently one house on one lot.

Section 1.8.1.3 of the Subdivision Regulations require the County Commission to hold a public hearing in order to consider any petition to vacate and/or re-plat, taking into consideration character of the neighborhood; traffic conditions; circulation; the proper location and improvement of streets and roads within and adjacent to the subdivision; property values in the subdivision; public utilities; facilities and services and the re-plat will not generally adversely affect the health, welfare, or safety of persons owning or possessing real estate within the subdivision to be vacated or surrounding real estate.

Nancy Lee Boon, 8251 South Route N, Columbia, was present on behalf of this request.

Nancy Boon stated she had purchased the land she lives on in bits and pieces. She owns both lots of the Sunnyside Acres Subdivision. Since then, she has purchased land around

the subject area and currently owns 21 acres. She is trying to get all pieces of the land she owns platted into one piece of land. This would decrease the amount of paper work she receives each year during tax time. She would also like to have the entire 21 acres she owns rezoned. She has had discussions with the Boone County Assessor, Tom Schauwecker, and he believes the 21 acres can be rezoned to agriculture, which would also lower her taxes.

Ms. Boon noted there is one house on one lot in Sunnyside Acres Subdivision, which is her house that she built in 1983. There is one remaining house on a 5 acre tract she owns and rents. When this house is vacated, she will tear it down leaving only one house on the 21 acres she owns.

Commissioner Elkin asked if there are six separate tracts of land Ms. Boon owns but are contiguous. Ms. Boon stated that is correct but the only tracts that she owns that were platted as a subdivision are the two lots in Sunnyside Acres.

There was discussion about how the vacate and re-plat process of Sunnyside Acres and the remaining tracts of land would work in the future.

Commissioner Schnarre opened the floor for a public hearing on this request.

There was no one wishing to speak on this request.

Commissioner Schnarre closed the public hearing.

Commissioner Schnarre moved to approve the petition submitted by Nancy Lee Boon Trust Number 1 to vacate and re-plat Sunnyside Acres Subdivision. The vacation is not to take place until the re-plat is approved.

Commissioner Elkin seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 267-2003**

D. Approve Petition submitted by Betty and Nancy Bundy to vacate and re-plat Lot 2 of Pin Oak Subdivision Block IV

The applicants for this request were not present at the meeting. Since the applicants are required to be present at the County Commission meeting for a petition to vacate and re-plat, this item will be tabled.

There was discussion about future notification of neighbors of the petition.

Commissioner Elkin moved to table the petition submitted by Betty and Nancy Bundy to vacate and re-plat Lot 2 of Pin Oak Subdivision Block IV.

Commissioner Schnarre seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 268-2003**

E. Receive and Accept Jolly Acres Plat. S6-T50N-R12W. Rhonda Jolly, owner.

Mr. Shawver stated this is a two lot subdivision located on Pinnacles Road. This is a 20 acre tract, split into a 13 acre tract and a 6 acre tract. The Planning and Zoning Commission approved this plat and it is ready to be received and accepted by the County Commission.

Commissioner Schnarre moved to receive and accept Jolly Acres Plat.

Commissioner Elkin seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 269-2003**

Subject: Sheriff’s Department – Second Reading and Public Hearing for Approval of Budget Amendment

Commissioner Elkin stated this is a budget amendment for the Community Emergency Response Team Grant awarded to the Sheriff’s Department.

Commissioner Elkin moved to approve the following budget amendment:

Said budget amendment is to establish a budget for the Mental Health Court Grant.

Commissioner Schnarre seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 271-2003**

Subject: Purchasing Department – Second Reading and Award of Bid 33-15MAY03 (Phase II Interior Renovations Boone County Public Works South Facility Maintenance)

Commissioner Elkin stated this is a recommendation for award to GBH Builders, Inc. for

having the lowest and best bid meeting the minimum specifications. The total contract amount for the base bid is \$229,999.00.

Commissioner Elkin moved to award bid 33-15MAY03 for Phase II Interior Renovations for the Boone County Public Works South Facility Maintenance Building to GBH Builders, Inc.

Commissioner Schnarre seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 272-2003**

Subject: Rescind Commission Order 564-2002 and Second Reading to Adopt Legal Descriptions for Townships

Commissioner Schnarre stated when the legal descriptions for the townships were done at the end of 2002, there were some errors made in those legal descriptions. These are correct legal descriptions that are ready to be adopted.

Commissioner Elkin moved to rescind Commission Order 564-2002.

Commissioner Schnarre seconded the motion.

There was no discussion and no public comment.

The motion passed 2-0. **Order 273-2003**

The motion passed 2-0. **Order 274-2003**

Public Comment

Lana Wiseman, 236 Crescent Meadows, Columbia, stated she is a member of Grass Roots Organization (GRO) and Mobile Park Action Community Team (MPACT). GRO and MPACT have recently received letters from the County Commission and the Boone County Fire Protection District Assistant Fire Chief. She asked if the Commissioners had received any answers to the letters.

Commissioner Schnarre stated no answers have been received.

Ms. Wiseman stated they appreciate the letters and they are anxious to get the proposal the Commission agreed upon made into law. They understand these things do take time. They have waited one year since the Mobile Home Parks have been graded. They are requesting from the Commission this evening to commit to a reasonable time frame for adopting the proposed mobile home ordinances.

Commissioner Schnarre stated the Commission cannot set a time frame. There are some issues that are pending approval from the Governor so the County can have the authority to act on those issues.

Ms. Wiseman asked if the Commissioners had an idea of when these proposed ordinances will be adopted.

Commissioner Schnarre stated he cannot give a time frame.

Commissioner Elkin stated the Commission would hate to commit to something as far as time is concerned because they do not know. If the Commission said it would be next week and action was not taken at that time then it does not serve anyone good. The wheels of government turn slowly. The Commission has had to seek legislative relief on some of these proposals. The Commission is moving as fast as they possibly can.

Ms. Wiseman stated they appreciate the Commissions work on these issues. They will be in contact with the Commission within the next 30 days on the status of the proposed issues.

There was no further public comment.

The meeting adjourned at 7:30 p.m.
