Subject: Public Hearing for Applewood Creek Neighborhood Improvement District

John Watkins, Public Works Project Development Manager, was present on behalf of this item.

John Watkins stated this is the opportunity for those petitioned into the district to comment for or against the neighborhood improvement district.

There was discussion about the extension of Crabapple Drive to Scott Boulevard for another entrance to the subdivision.

Commissioner Schnarre asked how big this project is. Mr. Watkins stated this project is 1,300 feet, including a portion of Applewood Creek Road, where it ties into Crabapple Drive, Crabapple will be taken up to the corner of Persimmon. This is where Crabapple Drive would continue to Scott Boulevard. The department will put in a T-intersection where Persimmon makes the corner. A road will be moved more to the center of the right-of-way, from where it currently runs, to get better drainage before the improvement is done.

There was no public comment.

The public hearing adjourned at 1:22 p.m.
