JUVENILE ACCOUNTABILITY INCENTIVE BLOCK GRANT
March 14, 2002

A fax was received at the Juvenile Justice Center, at approximately 6:00 p.m., on Monday, March 11, 2002, from the Department of Public Safety, informing us that some funding had been made available through the Juvenile Accountability Incentive Block Grant (JAIBG), for a very short period of time. The supplemental funding will only be available until the end of March. Applications for grant funds must be received by the Department of Public Safety by Monday, March 18, 2002, at 5:00 p.m.

This is an unusually quick turnaround time, but we have proposals in mind, for presentation to the Department of Public Safety:

1. Videos, Activity Kits, and Educational Games/CD's. We would request educational materials (some are 10-video sets), for the Boone County Family Court Services Office, to be used by juveniles under the supervision of the Juvenile Officer. The cost of the materials is \$1,650.00.
2. Revised Missouri Statutes. We would request one set of the 2000 Missouri Revised Statutes, plus the 2001 update, for use by the staff attorneys at the Boone County Family Court Services Office. The cost of the set is \$322.00.
3. Video Equipment. We would request two 20-inch television/VCR combinations. One set would be used by juveniles on the detention wing, for viewing educational videos, and one set would be used in the art building, for viewing instructional/educational videos, specific to art and the various processes used for art work. We would be able to purchase the two television/VCR combinations for \$350.00 each. In addition, we would request a large-screen television for use in the multipurpose area of the Juvenile Justice Center, by residents of the program wing, for viewing instructional/educational videos. It would also be used by staff for viewing training videos. We would be able to purchase a 52" projection television for approximately \$1,700.00.

There is no match amount required from the county. We are seeking approval to proceed with application for these funds and a budget amendment to pay for the items, pending reimbursement from the grant funding.

Items	Location of Use	Cost
Videos, Activity Packets, Educational Games	Boone County Family Court Services Office	\$1,650.00
Revised Missouri Statutes	Boone County Family Court Services Office	322.00

1. Please provide an explanation of the items requested...(top of page cut off on the fax we received)...one of the twelve program purpose areas (see attached purpose areas).

We would like to purchase one set of the 2000 Revised Missouri Statutes (with the 2001 update), for use at the Boone County Family Court Services Office. This will aid the two staff attorneys in the preparation of juvenile law violator cases. This fits under Program Purpose Area #5.

We would like to purchase videos, activity kits, and educational games/CD's for use at the Boone County Family Court Services Office, to be used by juveniles under the supervision of the Juvenile Officer. We would also like to purchase some training materials for staff, to aid them in holding juvenile offenders' accountable. This fits under Program Purpose Area #7.

We would like to purchase 3 television sets (2-20" TV/VCR combinations and 1-61" projection TV). One of the 20" TV's would be used on the detention wing of the Juvenile Justice Center, for showing educational videos to residents; one 20" TV would be used in the art building, for showing instructional art videos; and the large-screen TV would be used in the large multipurpose area, for showing educational/instructional videos. Program Purpose Area #7.

2. Please provide a budget justification for the items requested.

The amount listed was provided by the office of the presiding judge of this circuit. That office recently purchased a set.

The amount listed is from catalogs from the Bureau for At Risk Youth and Boys Town Press. This is a fair market price.

The amount listed is fair market price.

3. List why each item is necessary.

The staff attorneys do not have an updated set of the Revised Missouri Statutes. We feel that the lack of an updated set may impede their ability to prepare cases in the most efficient manner.

The Boone County Family Court Services Office is using outdated materials. We feel that the items requested would be valuable tools for addressing the needs of the law violator juveniles.

The 2-20" TV/VCR combinations would be used to show videos to juveniles in detention and juveniles participating in the arts program at the Juvenile Justice Center. The participants in the arts program have had instructional videos available to them, but have not had a way to view them. The large-screen TV would be an extremely useful tool, for use in the large space of the multipurpose area at the Center. It is very difficult for residents to be able to view a smaller-sized screen in that room.

4. Please provide a written certification that these funds will not be used to supplant State or local funds. Federal funds must be used to supplement existing funds for program activities and not replace those funds which have been appropriated for the same purpose.

A new set of the Revised Missouri Statutes is not a budgeted item; therefore, we would not be able to purchase the set.

There is currently no funding in the budget to provide for the purchase of these educational materials; therefore, we would not be able to purchase the listed items. The items would definitely enhance the programming that we currently offer.

Subject: "No Parking" sign placements

I was requested by the Boone County Fire Protection District and the Boone County Sheriff's Department to study a parking problem on Mexico Gravel Road, Billy Jean Drive, and Lawrence Drive. It appears that there is an after-hours meeting place just east of Billy Jean Drive that generates a large volume of vehicles. Due to insufficient parking at the facility, patrons park their vehicles along both sides of Mexico Gravel Road and in the neighboring subdivisions. Emergency response and law enforcement personnel were responding to an incident in the area and were not able to travel the road due to parked vehicles.

It is the recommendation of the Department to post "No Parking" signs on both sides of Mexico Gravel Road from the bridge over Hominy Branch to Manchester Drive. It is also recommended to post "No Parking - 10 pm to 6 am" on both sides of Billy Jean Drive and Lawrence Drive.
