FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 12th day of September, 2017, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: weeds in excess of twelve inches high.
4. The location of the public nuisance is as follows: 6200 E. O'rear Rd., Columbia, MO, a/k/a parcel # 12-313-11-01-005.00 01, Hillview Acres, Block 1, Lot 22. Section 11, Township 49, Range 12 as shown by deed book 0805 page 0854, Boone County.
5. The specific violation of the Code is: weeds in violation of section 6.7 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code **on the 6th day of June 2017**, to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner, occupant, and any other applicable interested persons were given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.

Stipend reimbursement program

The NFA and EMI stipend reimbursement programs are cost sharing programs. The student's or sponsoring organization's share of the program is the cost of meals/participation in the NETC meal program, the cost of ground transportation from the point of departure to the local airports and back, parking, tolls, and the salary and benefit costs to the sponsoring organization of the student or any replacement personnel necessitated by the student's absence from duty during the term of participation in a course. The government's share includes reimbursement for common carrier transportation or privately owned vehicle (POV) as outlined below; ground transportation between NETC and the designated airports using the campus shuttle service; lodging on campus; and the cost of the first piece of luggage up to 50 pounds, not to exceed \$60 roundtrip for EMI students.

Below is information about reimbursement procedures for NFA and EMI courses under the student stipend reimbursement programs. Please read the information carefully. If you have any questions about your eligibility to receive a stipend, please contact Admissions either by email at netcadmissions@fema.dhs.gov or by phone at 301-447-1035.

Any exceptions to travel must be requested in writing and faxed along with documentation to 301-447-1441 for NFA and 301-447-1658 for EMI. All exceptions must be approved prior to making your travel arrangements. Otherwise, your stipend may be denied or limited to the state ceiling amount. Exceptions to travel include side trips or traveling days other than those listed in your acceptance notification.

Individuals eligible for reimbursement

- State, local or tribal government representatives.
- Recognized volunteer organization representatives.
- Active emergency management organization representatives.
- Representatives from state or local fire organizations.

If you do not apply for a stipend reimbursement within 60 days following the course start date, your stipend reimbursement will be denied.

NFA students are limited to one reimbursable trip per fiscal year (Oct. 1-Sept. 30). If you wish to attend a second NFA class (at your own expense), a letter to that effect must accompany the second application stating that you are waiving your stipend reimbursement.

Individuals not eligible for stipend reimbursement

- Federal government employees.
- Private industry employees.
- Employees who are contracted to federal, state or local government entities (such as rural-metro departments).
- Representatives of a foreign organization.

-
- ❶ **For EMI only:** students eligible for federally funded grants.
 - ❷ Students enrolled in the E0705 course offered at EMI. There is no stipend reimbursement for the "Fundamentals of Grants Management." Students enrolled in this course should contact the grant program analyst/manager to identify travel funding for this training as part of the grant management and administration cost.

Reimbursement for:

Airfare

- ❶ You will be reimbursed the cost of a direct (no side trips or extended stays), **21-day prior to the course travel date prepurchase, nonrefundable** ticket for round trip transportation by common carrier (economy coach class, nonrefundable) for each course or back-to-back courses that you attend. Proof of nonrefundable fare is required!
- ❷ **If you take side trips or travel outside of the defined travel days**, your reimbursement shall be limited to no more than the state ceiling amount as noted on the Reimbursement State Ceiling Chart.
- ❸ **To eliminate the perception of misuse of government funds, FIRST CLASS, BUSINESS CLASS, and REFUNDABLE AIRLINE TICKETS WILL NOT BE REIMBURSED AT FULL FARE**, unless you request, in writing, an exception prior to making your travel arrangements and have received written approval from the NETC Admissions Office. Otherwise, your reimbursement will be limited up to the state ceiling amount.
- ❹ **It is your responsibility to find the cheapest ticket available.** Failure to do so may result in your reimbursement being limited to the state ceiling amount.
- ❺ **Use of frequent flier miles** toward the purchase of a ticket is NOT reimbursable.
- ❻ **Fees associated with seat upgrades or early bird check-ins are not reimbursable.**
- ❼ **Flight or ticket insurance is not reimbursable.**
- ❽ If any portion of your airfare is subsidized by another source, that portion is NOT reimbursable under the stipend program.

Driving

- ❶ You will be reimbursed the current POV federal mileage allowance or the state ceiling, whichever is less.
- ❷ POV mileage is subject to validation.
- ❸ **If you do not register your vehicle with the Housing Office**, reimbursement for POV mileage may be denied.
- ❹ **If someone is dropping you off**, you **must** have the vehicle verified by the Housing Office prior to the vehicle departing campus, or your stipend will be denied.
- ❺ If you carpool with another student, only the driver will be reimbursed.

-
- ❶ If you drove a rental car instead of your POV, your reimbursement is limited to the POV allowance. Reimbursement will be made to the individual who rented the vehicle. The name of the individual requesting reimbursement must appear on the rental car agreement. Otherwise, the request may be denied.
 - ❷ If you are requesting mileage reimbursement and you are not the owner of the vehicle, you need to provide a letter from the owner stating that you have permission to drive the vehicle.
 - ❸ Registration of the POV must be presented at the time of registration to validate ownership.

Train or Bus

- ❶ Your reimbursement is limited to the cost of the ticket, not to exceed the state ceiling amount.
- ❷ You must provide copies of the tickets actually used.
- ❸ Reimbursement shall not include costs for sleep accommodations or for transport of vehicles on the train.

Luggage reimbursement

National Fire Academy

NFA no longer reimburses students for bag fee costs.

Emergency Management Institute

Students eligible for stipend reimbursement may be reimbursed for their first piece of luggage checked (up to 50 pounds), not to exceed \$60 round trip, if they provide the required documentation. Receipts are required for both trips (travel to NETC and return to residence). Luggage receipts must be submitted within two weeks of the course end date in order to be considered for reimbursement. Failure to submit receipts within two weeks will result in nonreimbursement for luggage. Legible receipts for charges for the student's first piece of luggage may be faxed to 301-447-1658 or 301-447-1441 or emailed to netcadmissions@fema.dhs.gov. **Students must provide receipts in order to be reimbursed for the luggage.** Group requests for luggage reimbursement will be denied. Each student must submit his or her own luggage receipts. Convenience charges and service fees are not reimbursable.

Saving money on airfare: If you save money on your airfare, you will be reimbursed for extra expenses if you save a minimum of \$250 off the cost of a 21-day ticket prior to the course travel date prepurchase, nonrefundable round trip economy class common carrier ticket traveling on the correct travel dates. Submit written documentation of the savings — this consists of itinerary copies of both the original price and the cheaper fare. If you do not acquire written approval from the Admissions Office prior to making your travel arrangements, the extra expenses will not be reimbursed. The following option applies if your request is approved.

You may stay in the Baltimore/District of Columbia metro areas before or after your course.

-
- ❶ If you save at least \$250 in airfare as noted in the terms above, you may be reimbursed up to \$90 per day (two-day limit for savings over \$500) for lodging or transportation expenses. Original receipts must be provided and must contain the student's name. If you carpool from the airport using a rental car, only one individual is eligible for reimbursement.
 - ❷ If you stay after your course ends, ask for a Stipend Agreement Amendment (FEMA Form 11-25-4) when you register. When you return home, mail it with **original hotel or transportation** receipts containing your name to Admissions, Room I-216, 16825 South Seton Ave., Emmitsburg, MD 21727 within 14 days of the start date of the course or reimbursement **WILL BE DENIED**.

Reimbursement process

Reimbursement will be deposited electronically into the checking or savings account that you identify. This reimbursement may take six to eight weeks following the course start date. If you haven't received reimbursement by eight weeks, call the NETC Admissions Office at 301-447-1035.

1. **Reimbursement will only be made to an account that bears your name.** You are responsible for reimbursing your department, if applicable. This is a result of increased restrictions by the receiving financial institutions. When the reimbursement is deposited, the entry in an account may differ from bank to bank, but mostly it will be listed as "FED SALARY, FEM2 or TREAS" and it will probably **not** have your name next to it.

If you do not have a personal account, please contact the Admissions Office prior to your arrival for further instructions.

2. You must provide your personal banking information. A blank, voided check is preferred. You must provide the following:
 - ❶ Banking institution.
 - ❷ Name on account.
 - ❸ Routing number.
 - ❹ Account number
 - ❺ Checking or savings account.
3. If your account is with a credit union or if the account is payable through another bank, please have the bank provide you with the routing and account numbers for the Automated Clearing House deposit.
4. If you anticipate incurring additional expenses for transportation/lodging costs, **you must receive prior written approval** to be eligible for reimbursement of these expenses. If approved, **original receipts must** be presented at the time of your arrival. Your name must appear on receipts provided for reimbursement.
5. Your stipend may not be processed because of not having any of the following: your airline ticket; itinerary with ticket number and payment made (ticket number pending is not acceptable); POV information; request from your organization for reimbursement; or the appropriate direct deposit information.
