)	Commission Order No. <u>308-2020</u>

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 14th day of July 2020, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: growth of weeds in excess of twelve inches high on the premises.
4. The location of the public nuisance is as follows: 709 W. Bon Gor Court, Bon-Gor Lake Estates, Block 2, Lot 3, a/k/a parcel# 11-606-14-01-024.00 01, Section 14, Township 49, Range 13 as shown in deed book 4786 page 0150, Boone County.
5. The specific violation of the Code is: growth of weeds in excess of twelve inches high in violation of section 6.7 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 21st day of May to the lien holder and on the 11th day of June to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner was given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public

nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

Order For Abatement Chargeable As a Special Assessment To The Property

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

It is further ordered and directed that the Health Director submit a bill for the cost and expense of abatement to the County Clerk for attachment to this order and that the County Clerk submit a certified copy of this order and such bill to the County Collector for inclusion as a special assessment on the real property tax bill for the above described property for the current year in accordance with section 67.402, RSMo.

WITNESS the signature of the presiding commissioner on behalf Boone County Commission on the day and year first above written.

FINDING OF PUBLIC NUISANCE AND ORDER FOR ABATEMENT

NOW on this 14th day of July 2020, the County Commission of Boone County, Missouri met in regular session and entered the following findings of fact, conclusions of law and order for abatement of nuisance:

Findings of Fact and Conclusions of Law

The County Commission finds as fact and concludes as a matter of law the following:

1. The Boone County Code of Health Regulations (the "Code") are officially noticed and are made a part of the record in this proceeding.
2. The City of Columbia/Boone County Health Department administrative record is made a part of the record in this proceeding and incorporated herein by reference. In addition, any live testimony of the official(s) of the department and other interested persons are made a part of the record in this proceeding.
3. A public nuisance exists described as follows: junk, trash, rubbish, garbage and other refuse and growth of weeds in excess of twelve inches high on the premises.
4. The location of the public nuisance is as follows: 506 Waldo Court, Fairway Meadows Subdivision, Block 1, Lot 53, a/k/a parcel# 17-313-11-01-020.00 01, Section 11, Township 48, Range 12 as shown in deed book 4592 page 0087, Boone County.
5. The specific violation of the Code is: junk, trash, rubbish, garbage and other refuse in violation of section 6.5 of the Code and growth of weeds in excess of twelve inches high in violation of section 6.7 of the Code.
6. The Health Director's designated Health Official made the above determination of the existence of the public nuisance at the above location. Notice of that determination and the requirement for abatement was given in accordance with section 6.10.1 of the Code on the 29th day of May to the property owner.
7. The above described public nuisance was not abated. As required by section 6.10.2 of the Code, the property owner was given notice of the hearing conducted this date before the Boone County Commission for an order to abate the above nuisance at government expense with the cost and expense thereof to be charged against the above described property as a special tax bill and added to the real estate taxes for said property for the current year.
8. No credible evidence has been presented at the hearing to demonstrate that no public nuisance exists or that abatement has been performed or is unnecessary; accordingly, in accordance with section 6.10.2 of the Code and section 67.402, RSMo, the County Commission finds and determines from the credible evidence presented that a public

nuisance exists at the above location which requires abatement and that the parties responsible for abating such nuisance have failed to do so as required by the Health Director or Official's original order referred to above.

Order For Abatement Chargeable As a Special Assessment To The Property

Based upon the foregoing, the County Commission hereby orders abatement of the above described public nuisance at public expense and the Health Director is hereby authorized and directed to carry out this order.

Sheriff Dwayne Carey
Boone County Sheriff's Office
2121 County Drive
Columbia, MO 65202

I am pleased to inform you that your agency has sub-awarded grant funding under the PROTECT Act through the MO ICAC Task Force. The Boone County Sheriff's Office will receive funding in the amount of \$15,065.41 to cover the purchase of equipment and/or training.

By accepting the funds awarded, your agency agrees to comply with the following:

1. **The ICAC Investigative & Operational Standards Guide and any grant special conditions that pertain to your agency.**
2. **Thoroughly investigate any assigned CyberTips in a timely manner and complete all statistical reporting requirements as outlined by the Office of Juvenile Justice & Delinquency Prevention.**
3. **Ensure all investigative officers participating in your regional task force have de-confliction accounts through ICAC COPS and ICAC Data System.**
4. **Ensure all officers participating in your regional task force complete the required online courses dealing with the ICAC Investigative and Operational Standards and other job specific training.**
5. **Ensure any agency in your regional task force who will benefit from ICAC funding has a current Memorandum of Understanding on file with MO ICAC.**

Agencies shall submit a "Request to Expend Funds" form detailing how the sub-grant funding will be used and written approval must be received prior to expending any funds. No reasonable request of funds will be denied, but purchases made without written approval are subject to denial of reimbursement.

As a rule, it is up to the agency to first expend funds and request reimbursement through the MO ICAC Task Force. Arrangements may be made if an agency is unable to cover the initial expenditure of funds. **Monthly or quarterly requests for reimbursement are preferred. Final requests must be submitted by mail or emailed to Kessa Sims (ksims@sccmo.org) no later than August 30, 2020.**

Any equipment purchased using ICAC funds, with a cost of \$500.00 or more, will receive an asset tag. Tags will be mailed to your agency to affix to the items. Tagged items will be verified during on-site visits by MO ICAC staff. When the items are permanently taken out of service, notify MO ICAC to obtain instructions on the disposition of the item.

Please do not hesitate to contact me should you have any questions or concerns in this matter,

Leasa,

Whatever we can do to keep it as flexible as possible for now would be my preference. We have talked about how to spend it and have some good ideas. The decision point will be waiting to see how much SCCG money we get. Then we can better prioritize the wants and needs for the ICAC money.

That is my plan anyways. What do you think?

Thanks, Britt

Leasa,

The request sent to ICAC for the Dallas conference was approved as detailed below. I included Tracy on this email. The two of you can work together on making reservations etc.

Let me know if I can help in anyway.

Registration - \$600 per person = \$3000 (Bounds, Perkins, Evans, Heckmaster, Crockett) Airfare - \$450 per person = \$2250 Ground Transportation - \$12 dollars/round trip x 5 = \$60 Food - \$200 x 5 = \$1000 Hotel 4 nights - \$600 + hotel taxes x 3 = \$1800

Total \$8110.00

Thanks, Britt

ATTN: Lt. Britt Shea, Regional Task Force Commander
REF: Missouri ICAC supplemental award

Dear Lt. Shea,

I'm writing to you to inform your Task Force of an additional monetary award this fiscal year from Missouri ICAC. The Office of Juvenile Justice and Delinquency Prevention (OJJDP) has given us the opportunity to utilize funds specifically allocated for **EQUIPMENT** and **TECHNOLOGY** (to include software) in the pursuit of accomplishing the goals as set forth in the ICAC mission. The Boone County Sheriff Cyber Crime Task Force has been awarded an additional **\$4,000.00** for this purpose. We ask that these funds be fully expended by **May 1, 2020**. Any remaining balance after that date will be forfeited and reallocated.

Purchasing will be handled by Kessa Sims, which will require adherence to the St. Charles County Purchasing Policy. In general, purchases of \$2,500 or more will require you to obtain (3) written quotes from vendors or a sole source letter, if applicable. The only time this will not apply is if items are purchased from a cooperative contract and the contract number is clearly listed on the quote.

Any questions regarding this award can be forwarded to Lt. Sullivan or Ms. Sims. Thank you for your continued efforts and support of Missouri ICAC.

Respectfully,

Award # 2017-MC-FX-K023

Sheriff Dwayne Carey
Boone County Sheriff's Office
2121 County Drive
Columbia, MO 65202

I am pleased to inform you that your agency has sub-awarded grant funding under the PROTECT Act through the MO ICAC Task Force. The Boone County Sheriff's Office will receive funding in the amount of \$15,065.41 to cover the purchase of equipment and/or training.

By accepting the funds awarded, your agency agrees to comply with the following:

1. **The ICAC Investigative & Operational Standards Guide and any grant special conditions that pertain to your agency.**
2. **Thoroughly investigate any assigned CyberTips in a timely manner and complete all statistical reporting requirements as outlined by the Office of Juvenile Justice & Delinquency Prevention.**
3. **Ensure all investigative officers participating in your regional task force have de-confliction accounts through ICAC COPS and ICAC Data System.**
4. **Ensure all officers participating in your regional task force complete the required online courses dealing with the ICAC Investigative and Operational Standards and other job specific training.**
5. **Ensure any agency in your regional task force who will benefit from ICAC funding has a current Memorandum of Understanding on file with MO ICAC.**

Agencies shall submit a "Request to Expend Funds" form detailing how the sub-grant funding will be used and written approval must be received prior to expending any funds. No reasonable request of funds will be denied, but purchases made without written approval are subject to denial of reimbursement.

As a rule, it is up to the agency to first expend funds and request reimbursement through the MO ICAC Task Force. Arrangements may be made if an agency is unable to cover the initial expenditure of funds. **Monthly or quarterly requests for reimbursement are preferred. Final requests must be submitted by mail or emailed to Kessa Sims (ksims@sccmo.org) no later than August 30, 2020.**

Any equipment purchased using ICAC funds, with a cost of \$500.00 or more, will receive an asset tag. Tags will be mailed to your agency to affix to the items. Tagged items will be verified during on-site visits by MO ICAC staff. When the items are permanently taken out of service, notify MO ICAC to obtain instructions on the disposition of the item.

Please do not hesitate to contact me should you have any questions or concerns in this matter,

Lieutenant Curtis Sullivan

Tom,
Receipt the funds into 2982 (Cares Act) 3411 (Federal Grant Reimbursement). I've created the dept/account association on the G/L.

Until we have an internal plan and an approved budget governing the use of these monies, no disbursements should be made from this fund. Not sure how long this will take. At this time, Jason is the assigned Accountant, but that could change as the spending plan is developed.

Thanks,
June
