Date & time: 7/29-30/09
Case Number: 09-4444, 09-4446, 09-4447

Details;

The Boone County Sheriff's Department is reminding citizens to always lock their vehicles and not leave valuables in plain sight in the wake of a rash of larcenies. Residents of North Lespedeza Lane, East Cedar Court and Godas Lane reported to sheriff's deputies yesterday (7/29/09) vehicles had been rummaged through and in some cases small amounts of property was stolen.

Many thieves will forage through a subdivision or residential area during the late evening or early morning hours looking for unlocked vehicles and to steal cell phones, loose change, purses, tools, cameras and other items of value. Citizens should NEVER leave keys in the ignition. Earlier this month the Sheriff's Department arrested two juveniles for stealing vehicles which had keys left in the ignition.

Anyone with information about these crimes is urged to contact CrimeStoppers at 875-TIPS(8477). All calls are held in strict confidence and you don't have to give your name to collect a reward.

All suspects are considered innocent until proven guilty in a court of law.
