Location: BOONE COUNTY
Date & time: 12/16/09
Case Number: N/A

Details;

Sheriff's deputies and detectives fanned out through Boone County yesterday (12/16/09) contacting convicted sex offenders in an effort to ensure they are complying with the terms of their lawfully mandated registration.

All convicted sex offenders are required to register at the Sheriff's Department by providing valid, current address, employment and other information. All offenders are also required to report to the Sheriff's Department any changes in address or employment. In addition, individuals convicted of sex crimes against children must report to the Sheriff's Department every 90 days to verify their information. Offenders convicted of sex crimes against adults have to report every six months.

Officers checked 51 residences and verified the addresses of 34 registered sex offenders. It was learned one offender had been returned to the Missouri Department of Corrections and one individual was in violation of the terms of his registration. Officers were unable to make contact with anyone at 15 residences. These residences will continue to be checked in an attempt to verify addresses.

The Sheriff's Department is committed to vigorously enforcing the mandates of the Sex Offender Registration law. Violators will be subject to arrest and prosecution.
