Details:

A Centralia area farmer reported to Boone County sheriff's deputies the theft this afternoon (6/30/10) of 13 heifers from a pasture in the 19600 block of North Route Z near Selby Lane.

The livestock had a value of almost \$11,000. The farmer noticed the cows missing while counting the herd earlier today. There is no indication the cows wandered off the property and are believed to have been stolen. Nearby residents told deputies they did not see or hear anything suspicious near the five acre field where the cows were kept.

Anyone with information about this crime is urged to contact CrimeStoppers at 875-TIPS (7477). All calls are held in strict confidence and you don't have to give your name to collect a reward.
