### **Media Release**

**Incident: Click-It or Ticket Enforcement Results**

**Location: Boone County, MO**

**Date: June 6, 2011**

The Boone County Sheriff's Department joined with law enforcement around the state from May 23<sup>rd</sup> to June 5<sup>th</sup> for an aggressive "Click-It or Ticket" mobilization to crack down on Missouri's seatbelt violations. During this time, the Boone County Sheriff's Department had deputies patrolling extra shifts and conducted a Safety Checkpoint.

During the enforcement efforts, deputies issued a total of 168 tickets including: 36 seat belt tickets, four child safety seat tickets, 24 speeding tickets, two hazardous moving violations, 14 non-hazardous moving violations, 71 no proof of insurance tickets, 10 driving while suspended tickets and seven tickets for operating a motor vehicle without a valid driver's license. Deputies also arrested four subjects on outstanding warrants, one subject for felony drug possession and two subjects for misdemeanor drug possession.

Seven out of 10 people killed in Missouri traffic crashes are unbuckled. Missouri's seat belt use has remained relatively unchanged in the last six years. Missouri has 76 percent seat belt use, which is well below the national average of 85 percent. Teens and pick-up truck drivers are among those least likely to buckle up at 66 and 61 percent.
