On Friday morning June 10, 2011 at approximately 9 am detectives with the Boone County Sheriff's Department Cyber Crimes Task Force assisted by a Boone County Sheriff's Department Patrol Officer arrested 47 year old Columbia man on suspicion of the possession of child pornography.

This arrest is the result of an investigation by the Boone County Sheriff's Department Cyber Crimes Task Force. In mid February 2011 a Task Force investigator discovered a computer believed to be in the Columbia area that was offering child pornography through a file sharing program. Subsequently investigators traced the transmission to a particular residence in Columbia.

On March 2, 2011 a court ordered search warrant was served at 2904 N Rangeline Road, Lot 34. During this search several items were seized. A subsequent examination of the items seized located over 60 images of pre-pubescent children. The investigation also identified the person to be responsible for the possession of these files.

As a result of this investigation the Boone County Prosecuting Attorney's office charged the suspect with one count of the Possession of Child Pornography. Bond was set at \$10,000.

The suspect is identified as 47 year old Joseph Kreiser of 2904 N Rangeline Road, Lot 34, Columbia, Missouri.

All suspects are considered innocent until proven guilty in a court of law.

The Boone County Sheriff's Department Cyber Crimes Task Force is comprised of investigators from the Boone County Sheriff's Department, the University of Missouri Police Department, and the Federal Bureau of Investigations.

This project is supported by funding made available through the federal Recovery Act –Edward Byrne Justice Assistance Grant (JAG) Program administered by the U.S. Dept. of Justice & Mo. Dept of Public Safety.
