#### Details:

A man convicted of child molestation in Texas was arrested this morning (9/27/11) in Columbia by Boone County sheriff's deputies on suspicion of Failing to Register as a Sex Offender as required by state law.

Kristofer R. Wyatt, 21, was taken into custody shortly before 10:30 a.m. at his residence, 518 Jackson Street. He was released from the jail after posting a \$4,500 bond.

Deputies and detectives spent the day randomly checking the addresses of registered sex offenders to ensure compliance with state and federal laws. Convicted sex offenders are required to register at the sheriff's department and provide a current valid address, place of employment and other information. All offenders are required to immediately report any change in address or employment. In addition, individuals convicted of sex crimes against children must report every 90 days for verification purposes. Offenders convicted of sex crimes against adults must report every 180 days.

Approximately 60 residences were checked as of mid-day. Most offenders were found to be in compliance with the terms of their registration. There were several instances where deputies were unable to contact an offender at a residence, prompting a follow-up visit at a later date.

The sheriff's department is committed to enforcing the mandates of the Sex Offender Registration law. Violators are subject to arrest and prosecution.
