On November 6, 2011 at about 0954 hours, deputies were dispatched to the report of a Burglary at Fabick and Company on ABC Lane in Eastern Boone County. While investigating this incident, deputies were also dispatched to the report of property damage and larcenies at a nearby business, Loveall RV's. The items reported stolen during these incidents include a camping trailer, a pick-up truck, a "goose neck" trailer, and numerous tools. Both of these incidents occurred overnight and deputies have determined these two incidents are related.

The camping trailer was described as a 29 foot 2011 Salem Model 26 QBUD camper with slide outs and a tongue hitch. (The picture of a similar item is attached)

The pick-up truck was described as a red 1995 Chevrolet 2500 Club Cab with a snowplow mount on the front.

The gooseneck trailer was described as a black 2007 Load Max Car Hauler.

A white Chevrolet "dually" one-ton pick-up truck with a flat bed is believed to be involved in these thefts. This truck would have cab lights and a "head ache rack" with lights.
