Location: 2100 Block of Prathersville Road
Date & time: 5-7-13 @ 2200 hours
Case Number: 13-2543

Details:

On 5-6-13 at about 2200 hours deputies in the 2100 Block of Prathersville Road observed a vehicle operating in a careless and imprudent manner. When a deputy attempted to traffic stop the vehicle, the driver failed to yield and led deputies on a short pursuit.

The pursuit traveled from Prathersville Road to the intersection of Highway 763 and Smiley Lane. There the driver left his vehicle and ran from the area. A passenger in the vehicle was detained for a short period of time and released without arrest and is not a suspect in this incident.

A search of the vehicle resulted in the discovery of several packages of marijuana that were packaged in a manner consistent with them being prepared for sale. The driver of the vehicle has been identified as 18 year-old Timothy S. Midgyett Jr., of Columbia. A photo of Midgyett is included below.

The Boone County Sheriff's Department is seeking information on the whereabouts of Midgyett in order to arrest him for the following:

- Possession of a controlled substance with intent to distribute,
