Media Release

Incident: Child Pornography Conviction

Location: Moberly, Missouri

Case Number: 2013-3463

Details:

On Tuesday, January 21, 2014 a Moberly Missouri man plead guilty in Boone County Circuit Court to Promoting Child Pornography in the Second Degree.

This conviction is the result of an investigation that began in mid June 2013 when a Cyber Crimes Task Force investigator identified a computer home network in the mid-Missouri area offering child pornography. The task force investigator in Columbia subsequently downloaded 5 child pornography photographs from the suspect computer. Cyber Crimes Task Force investigators were able to trace the sent child pornography to a specific residence in Moberly, Missouri.

On Wednesday morning, September 25, 2013 investigators with the Cyber Crimes Task Force, Moberly Police Department, and FBI served a court ordered search warrant at the Moberly residence in question. As a result of that search two computers were seized. An onsite investigation located approximately 248 photographs and 31 videos depicting the sexual molestation of children some believed to be as young as 4 years of age. As a result of the onsite investigation the defendant was identified and arrested.

The defendant is identified as 28 year old Adam Wesley Imhoff of 416 Roberts Street, Moberly, Missouri. The defendant was arrested for the suspicion of promoting child pornography and was transported to the Boone County Sheriff's Department in Columbia, Missouri where he remained.

The Boone County Sheriff's Department Cyber Crimes Task Force is comprised of investigators from the Boone County Sheriff's Department, the University of Missouri Police Department, and the Federal Bureau of Investigations.

This project is supported by funds made available through the State of Missouri Cyber Crimes Grant administered by the Missouri Department of Public Safety.

The Boone County Sheriff's Department Cyber Crimes Task Force is part of the Missouri Internet Crimes Against Children Task Force is and supported by funding made available through MO ICAC from the US Department of Justice-Office of Juvenile Justice and Delinquency Prevention.
