On the above date and time the Boone County Sheriff's Department served a Boone County search warrant at 7902 West Rollingwood Blvd. The incident started a few hours earlier when deputies were dispatched for a suspicious woman acting strangely in the Rollingwood Subdivision.

That investigation led deputies back to the Rollingwood address where Alex Killy was contacted. Killy had two warrants for his arrest. During his arrest, evidence of methamphetamine use and distribution was located and a search warrant for the residence was obtained.

A search of the residence revealed numerous items of evidentiary value including three handguns, about one half ounce of methamphetamine, and digital scales.
