Details:

On 12-05-2014 around 9:50 P.M., a Deputy with the Boone County Sheriff's Department attempted to stop a vehicle in the 3800 block of Calvert Hill road for a registration violation and numerous lane violations. The driver failed to yield and lead deputies on a pursuit that lasted nearly 12 miles before other personnel were able to successfully deploy a tire deflation tool on Route Z, ending the pursuit in the 11000 block of Route Z. During the pursuit, the driver threw something from the vehicle and failed to properly stop at several stop signs, drove into the opposing lane of travel numerous times, and maintained speeds between 55 mph to 75 mph. When the vehicle came to a stop the interior of the vehicle was on fire. The Boone County Fire Protection District was called to the scene but the vehicle fully engulfed in flames when they arrived. Once the flames were extinguished, deputies discovered numerous items used in the manufacturing of methamphetamine.

The driver, Jayson Breaux, 32, was taken into custody without incident. Deputies learned Breaux had an active felony parole violation warrant for his arrest as well as a revoked driver's license. Breaux was arrested for the following charges:
