#### Details:

A 44-year-old man shot at his Santa Anna Drive residence in late February died yesterday (6/4/15) afternoon at a local health care facility. An autopsy is scheduled for today at the office of the Boone County Medical Examiner.

Willie J. Mays survived the shooting and had been recuperating at a local health care facility. He was found unresponsive at the center at about 4:24 p.m. and transported to University Hospital where he was pronounced dead.

Boone County sheriff's deputies were dispatched 2/28/15 to 4426 Santa Anna Drive in response to multiple 9-1-1 calls for shots fired. Upon arrival they found Deborah W. Koontz, 53, and her brother, Donald R. Wilson, 51, dead from gunshot wounds. Mays was transported to University Hospital in critical condition.

Shortly after the shootings deputies spotted a vehicle driven by the suspect, Cornelius J. Parker, 28, travelling west on Route WW toward the Columbia city limits. Parker lost control of the vehicle near the intersection of Broadway and U.S. Highway 63 South. Parker then exited the vehicle with a handgun and began shooting at a deputy who returned fire and killed him.
