Details:

The Boone County Sheriff's Department has been conducting an investigation into methamphetamine distribution in Boone County. This particular investigation has resulted in two recent search warrants.

On 11-3-16 a search warrant was served at 804 Demaret Drive. In addition to other evidence of distribution, about two ounces of methamphetamine were located along with a handgun and a rifle. On 11-3-16, Shawn M. Turner, age 42, of Columbia was arrested for gun and drug charges. He was also arrested for failing to register as a sex offender. Turner is currently in federal custody awaiting disposition of these charges.

On 11-11-16 a second search warrant was served at 1514 W. Worley Street, the Justin T. Aman residence. Evidence of methamphetamine distribution was located including about 6 grams of methamphetamine. Stolen power tools were also located. A suspect in this second search warrant has been identified and is currently being sought. This residence is directly across the street (about 310 feet door to door) from West Middle School. Per Missouri Statute, the proximity of the school and the residence means possible enhanced charges once an arrest is made.
