Location: Boone County
Date & time: 9/13/17 @ 1455
Case Number: N/A

Details:

The Boone County Sheriff's Department is reminding citizens NOT to provide personal or financial information over the telephone to unsolicited callers or individuals they do not know.

In recent days the Sheriff's Department has learned several citizens received telephone calls from unknown persons asking for personal and financial information. One citizen felt the caller was not associated with a legitimate business and terminated the call.

Identity theft is an increasing challenge for law enforcement and it is important for citizens to protect their personal and financial information the same way they would other valuables.
