Media Release

Incident: Death Investigation
Location: 5100 Block of N Creasy Springs Road, Columbia, MO
Date & time: 02/03/2020 @ 11:22 PM
Case Number: 20-000494

Details:

On 02/03/2020, at approximately 11:24 PM, Boone County Sheriff's Department deputies were dispatched to investigate a disturbance in the 5100 block of N Creasy Springs Road, just north of Columbia. Boone County Joint Communications received a 911 call from the residence. During the 911 call, the call taker heard what they believed to be gun shots, someone in distress, and a sounding alarm. This information was communicated to the responding deputies. The 911 call was disconnected and although attempts were made, communications could not be re-established.

At approximately 11:31 PM, deputies began arriving on scene. Deputies located an unlocked door and made entry into the residence to determine if anyone inside was in need of immediate assistance. Deputies announced their presence inside and while searching, discovered evidence of shots being fired, at which time multiple shots were fired at deputies forcing them to retreat. No deputies fired their weapons or were injured. Additional personnel from the Columbia Police Department and Missouri State Highway Patrol responded to assist. The Sheriff's Department's SWAT team was activated and responded as well.

Shortly after midnight, flames were observed inside the residence from the area where deputies believed the gunshots were fired. Due to the scene being unstable, fire personnel were not able to immediately approach and extinguish the fire. Fortunately, the fire was not fast growing or fast moving. Deputies formulated a plan with the Boone County Fire Protection District, tactically approached the residence with fire suppression equipment and were able to extinguish the fire through a window of the residence.

Attempts were made to establish a line of communication with the person(s) inside the residence through the use of a public address system; however, those attempts were unsuccessful.

At approximately 2:19 AM, SWAT personnel made entry into the residence and located two deceased adults, who were identified as 39-year-old Bobbie Jo Robinson of Columbia, Missouri, and 41-year-old Stefan L. Dailing of Moberly, Missouri. No other persons were located in the residence.

Autopsies will be performed on both subjects by the Boone County Medical Examiner's Office to determine cause and manner of death for the subjects. Although there are no other subjects believed to be involved, this is an ongoing investigation with final cause and manner to be determined once completed.
